# THE TORCH

SILVER LAKE  
REGIONAL HIGH SCHOOL  
KINGSTON, MASSACHUSETTS

1960

## DEDICATION

It is with great pleasure that we dedicate the 1960 Torch to Mr. Robert J. Andrews. In his work as our art instructor Mr. Andrews has shaped the artistic talents of many seniors, and even more he has imbued us with a true appreciation of all that is beautiful. To him most seniors owe an everlasting vote of thanks.

# OUR HERITAGE

As one of the oldest in the United States, the community of Silver Lake is rich in historical lore. Within a short distance of our school stand houses which were new in Colonial times, when the region was a flourishing industrial center. From the upper windows of our modern school building the observant student may drink in the sparkling beauty of Silver Lake, with its blue waters shimmering in the sunlight. On a windy day tiny whitecaps break the silvery surface, accented by the tall, dark pines along its shores.

On Lake Street is the site of the oldest anchor forge in America. Many of the great anchors used on Revolutionary War ships, including the anchor of the frigate Constitution, were forged here. Iron ore was dredged from the bottom of Silver Lake, then known as Jones River Pond.

The house standing opposite to the athletic field, built in 1772, housed an old store and post office. The principal commodities sold in the store were rum and molasses brought in by ox carts which carried the anchors out to their historic destinies. Another house in the neighborhood contains a fireplace taken from the Boston Tea Party House when it was torn down.

The ambitious members of our Dramatics Club may well gain inspiration from the fact that Ethel, Lionel, and John Barrymore spent several carefree summers along the shores of Silver Lake. They enjoyed the friendship of a neighbor, Even Plimpton, well-known Shakespearean actor.

In a grove of fine trees near the railroad depot was located, in the late 1800's, a thriving amusement park from which a motor launch took parties on the lake. However, this type of amusement was brought to a tragic end when the launch exploded, killing many passengers.

Not too many years ago the children of Silver Lake rode to school on a streetcar which followed the same route over which some of our fleet of buses now transport students to Silver Lake Regional High School. Here again tragedy struck when a streetcar became charged with electricity, electrocuting several children.

To relate the exciting history of Silver Lake would consume much more space than we have at our disposal. We are not advocating that our student body spend its time in math class staring out at the shining surface of Silver Lake, but we would like to suggest that occasionally we may find inspiration in the realization that ours is a rich heritage and that as the latest actors in the panorama of Silver Lake's history, we have a responsible part to play. We, too, are building a new and better community, a united community, dedicated to scholarship, loyalty, character, and service.

Because we feel that our basketball team, through its outstanding display of loyalty, good sportsmanship, and co-operation, has carried us one step nearer to that unity without which we cannot progress satisfactorily, we have chosen to salute Mr. Killilea and his boys throughout *The Torch*.

# Silver Lake Wraps

Silver Lake High of Kingston, Old Colony League and South Shore Tourney (Division I) champion, added still another 1959-60 title to its collection Tuesday night.

The Lakers, displaying fine balance, won the Class C championship of the East Mass. schoolboy basketball tourney by defeating Case High of Swansea, 71-54, at Boston Garden.

Pete Alberghini, who scored 18 points, led Silver Lake offensively, but he had plenty of supporting assistance from the other starters.

## Play Vital Roles

Bill Carey, for instance, collected 18 points; Walt Pratt and Dave Spath threw in 12 each and playmaker Eddie Lopes shipped in with nine.

"Balance was a big factor the way," John Killilea, the Silver Lake coach, related after the game. "Every one played an important part in the win."

The Lakers, after falling behind, 13-12, in the first period, moved out front, 24-15, at half-time and was on a roll for the remainder of a 51-42 count going into the final quarter.

Malden High rang up its 22d win in a row and captured its first Class A championship in the tourney's 35-year history by turning back Somerville in their final round meeting.

## Two Big Periods

Two rather productive periods, the second and the third, stood Malden in good stead as, led by Johnny Keats' 20-point performance, it went to the "A" title.

Walpole High captured the Class B championship by downing Charlestown High, the defending champion, 62-55, as Don Light again led the way with 27 points.

Walpole, paced by Light and with Bob Hall contributing an additional 15 points, took a 17-8 lead in the first period and held an advantage the rest of the day.

## Silver Lake Wins Title

Coach John Killilea's Silver Lake High quintet became triple crown winners last night by capturing Class C honors in the Eastern Mass. Tourney at Boston Garden with a 71-54 win over Case High of Swansea.

Previously, the Lakers had captured the championship of the Old Colony High School League and of the South Shore tourney (Division I) to bring Silver Lake its first championship team since the inauguration of the school five years ago. Pete Alberghini was outstanding

as high scorer of the game with 20 points.

## Lopes Is Star

Eddie Lopes, slick Silver Lake ball handler, was a ball hawk all evening as he stole the ball repeatedly from the opposition, as a defensive star, excelled in ball handling and set up many of the Lakers' baskets.

Dave Spath, Lakers' guard, played fine defensive ball, set up some of the Lakers' plays with his fine dribbling and passes and looked extremely well offensively in his drives to the basket.

Although Bill Carey was held to four points in the first half, he went on to score 18 in the third and fourth quarters to help the Lakers build a lead.

Eddie Lopes, the Lakers' center, was a well-oiled machine. Pratt, as his name suggests, was in the first half, scoring eight points in the first half and half against a tough defense.

The Lakers' leading player for Case was Rodrigues, who excelled in the second and third quarters and hit for double figures with 13 points.

Assisting Rodrigues on the boards were Desruisseaux. Dennis St. Pierre performed well as a ball handler for Case while Gerald Paradis and Paul Summers were deadly in shooting field goals.

## Fine Balance

The Lakers had fine scoring balance as four of the five starters hit for double figures. The fifth starter, Lopes, only missed double figures by one point.

Case had three players hitting for double figures led by Paradis with 15. Rodrigues hit for 13, as did Summers.

Both teams were cold as the first quarter opened and it was a minute and a half before Laker Dave Spath dropped in the first basket of the game with a jump shot.

At the four-minute mark, Paradis of Case hit for two field goals in succession and Case led 6 to 5.

The lead changed hands for the rest of the period when finally Desruisseaux scored on a lay up as Case led Silver Lake, 13 to 12, as the first period of play came to an end.

## Case Leads, 14-12

Again in the second quarter, a full three minutes went by before Rodrigues scored the first basket and Case led, 14 to 12. Midway in second period, Lopes stole the ball three times and scored on one of the steals and passed off to Carey and Spath for two more baskets.

The Lakers, however, had only a slim 27 to 24 lead as the first half ended. At this point, Case was playing fine defensive ball and holding its own.

The third quarter saw both teams go on a scoring spree with the Lakers outscoring Case, 24 to 18. Fourteen points were scored in the first two and one-half minutes of play with Case trailing by only one point at this stage of the game, 33 to 32.

## Lakers Make Move

It was at this point that the Lakers began to break the game wide open as Spath, Alberghini, and Carey scored 14 points with jump shots, corner shots, layups and tap-ins from rebounds.

Summers of Case hooped in eight points to keep Swansea within striking distance. The third period ended as Carey tapped in another rebound and Silver Lake widened its lead to 41 to 42.

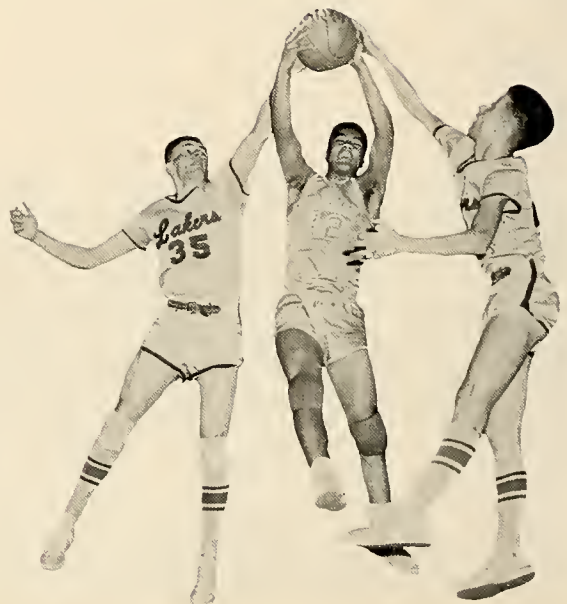

Carey and Pratt led the Lakers offensively in the shooting department in the last period with both players hitting for eight points and Lopes stealing the ball twice and scoring each time. The summary:

## Tiny Lopes (5-6) Silver Lake Spark

Everywhere the basketball went, so went little Ed Lopes of Silver Lake.

Lopes — who stands 5-6, and weighs all of 125 pounds — raced all around the Garden court last night. The diminutive Silver Lake guard hustled too much for Case of Swansea as he helped his team clinch the Class C title, 71 to 54.

"It's a funny thing about the kid," chuckled Coach John Killillea. "He was a second stringer on our squad until Pete Alberghini came down with pneumonia just before the regular season started.

"We threw Lopes in a scrimmage game against Quincy High, and we haven't been able to get him out of there since."

Silver Lake is a regional school, explained the coach, and the student body is drawn from the populations of Carver, Halifax, Pembroke, Kingston, etc.

"Lopes, who lives in Carver, has to commute 25 miles each way every day to get to school. That more than any of our other players have to travel.

Said Killillea: "Lopes practically spends all his daylight hours either travelling, attending classes or playing basketball."

Lopes joined all the other junior starters in hitting for double figures with 10 points, plus setting up plays and running up assists.

Alberghini—apparently feeling no ill effects from his sickness earlier—topped the Lakers with 20 points, with Bill Carey close behind with 18 points. Gerry Paradis was high for the losers with 15.

Silver Lake now holds claim to three different titles—the Old Colony League, South Shore Class A tourney, and now the Class C in the Tech.

Silver Lake is (9-2 10-1) with but three games remaining. Both coach John Killillea and his squad are hoping for continued action in the Eastern Mass. Tourney at the Garden next month.

"We were 14-6 last year," said John, in his third year at Silver Lake. "A couple of those setbacks were heartbreakers.

"At the conclusion of last year's campaign, the boys could hardly wait for this year. I felt they were justified in their belief. It's beginning to look as though we were right."

One of the players, Walter Pratt, was so enthusiastic he simply couldn't wait for the current campaign.

He enrolled in Bill Sharman's basketball clinic at Casco Bay, Me. According to Killillea, the results have been slightly short of miraculous.

"Walter, a 6-2½ 180-pound center, saw limited action last year because of a broken hand. But he loved basketball and the pointers he picked up from Sherman and Bob Donham, an ex-Celtic, really are paying off.

"He's the team's top scorer with an average of 18 points in the first 10 games. In addition he's murder under the boards. He's developed into a top flight rebounder."

Pratt is also a catcher in baseball. What makes Killillea even

happier, Walt'll be back next year since he's only a junior.

Another junior on the starting five is 6-1, 175-pound forward B. Carey. Carey knows his way around the courts, having been a starter since his freshman days.

### Another Diamond

Bill is the second high scorer and, like Pratt, also plays baseball—as a pitcher-outfielder.

Carey's frontcourt mate is Pete Alberghini, a 6-3, 160 pound junior who also started last season.

"Pete was out with walking pneumonia at the start of the season and has played in just the last three games," said John. "Yet he is averaging 13 points and provides additional strength under the boards."

Pete is also a baseball player along with Carey and Pratt.

Silver Lake's backcourt starters are Dave Spath and Ed Lopes.

Spath, a straight A student, the son of Plymouth High's basketball coach. Plymouth is, incidentally, SL's arch-rival in baseball as well as basketball.

Lopes, 5-8, 145 pounds, wins his coach's accolade as the "best defensive player in the league

### Murder, Man

"I've had rival coaches tell me he's murder," said John. "They say when he plays a man-to-man defense he covers all five players at once."

Lopes' speed on the court comes naturally. In addition to playing baseball, he's a top-flight runner on the cross-country team.

Killillea has plenty of height and experience in his reserves as well.

Three forwards Mike Federici (6-1, 175), Dave Walsh (6-3, 180) and Greg Maguara (6-1, 150) provide valuable bench strength.

Another leading reserve, Mike Farrell, is tagged by Killillea as "the best shot on the team."

"He is lacking in experience but he has a deary-eye from anyplace on the court. He can hit 'em from all over," said John.

Other reserves are Bob Balbon, Ray McManus and Terry Steven. Barry Thorup and Ray Whittina are the managers.

The 1959-60 Silver Lake basketball team was the most successful in the school's history. Under the great coaching of Mr. Killilea the team won every championship available. These Championships included the Old Colony League Title, the South Shore Tourney and the Tech Tourney. The team's success was due mainly to the players' great teamwork. Silver Lake was the first regional high school ever to win the Tech Tourney.

## 1959 BASEBALL TEAM

The Lakers compiled a five win, ten loss record last year. With the team composed mostly of Sophomores, there will be a fine nucleus for this year's team. The line-up made up of 6 Sophs, 1 Senior, 1 Freshman, and 1 Junior. Captain Phil Laroche was one of the top pitchers in the area.

There were 3 extra inning games with the regular 7 inning games running into 10 and 11. In the Middleboro game Laroche and Magura rolled up 25 strikes. This year even better results are expected.

We've been through a lot together these past two years! and I  
had a lot of fun. Let's hope there will be more. You a cute

in your hair and you couldn't  
get it out no matter how hard you  
tried. And then with Larry I smth when  
me and Paul were in the car. You said and  
I quote "Pita tell him" What a ball we had!!!  
of ~~him~~ you said push over's on coming in!!!  
where Larry was and Bob (remembers) said I aren't  
working. (Haha) When the time we got the flat  
tires. What a riot. We were scared  
sick we weren't going to get home in time.  
We had we went fishing with Herbie
